

Registration for Level IA Re-Certification

Re-certification Requirements

According to State law a certified individual shall be required to attend and participate in at least four hours of approved continuing education courses, as established by the Commission, every three years. (O.C.G.A. 12-7-19)

The Georgia Soil and Water Conservation Commission (GSWCC) in consultation with the Stakeholder Advisory Board have established the re-certification requirements. Individuals will have the option of attending a GSWCC four hour course or third party approved courses totaling in four hours of instruction. There will not be an examination required for re-certification.
